Email 1: Deadline Extension Request

Subject: Request for Deadline Extension: CSE2001 Assignment1.

Dear Professor,

I hope this email finds you well.

I am writing to respectfully request a short extension for the upcoming CSE2001 Assignment1 due on 31st March 31, 2026. I have been experiencing an unexpected cold which has delayed my progress.

Would it be possible to submit my assignment by 3rd April? I have already completed the research portion and am happy to share my current draft.

Thank you for your time and understanding.

Best regards,
